

YOUR UNITED WAY DOLLARS AT WORK

UNITED WE WIN

when people like Karen lift up people like Brandon.

MEET BRANDON

Brandon receives a scholarship to attend a prekindergarten class. He is confident and ready to learn.

\$15 a week can make this happen.

Brandon's mother is battling substance use. She enrolls in the Peer Support program at Century Health.

\$5 a week can help make this happen.

Brandon moves on to primary school where they practice the *Seven Habits of Highly Effective People* through the Leader in Me program. He gains leadership skills that have a positive effect on the rest of his life.

\$20 a week can make this happen.

Brandon graduates from high school opening doors to many opportunities, like a strong career path or secondary education.

Because of the support he and his family received, Brandon helps build a stronger community and is able to become a donor and volunteer.

MEET KAREN

Karen makes a pledge to United Way of Hancock County. Her donation is invested in programs focusing on health, education and financial stability.

Karen's donation is combined with thousands of others, including yours!

YOU CAN HELP. JOIN THE EFFORT. DONATE.

Because of the help she receives, Brandon's mother is able to find work. She uses Hancock Area Transportation Services to get to work every day. Brandon's home is more stable.

\$10 a week can make this happen.
